Dedication

We, the Graduates, dedicate with pride and joy to our Parents the 1955 edition of the Halloween. To them we owe our life, our initiation in the love of God, and the opportunity of studying at All Hallows. Inspired with the example of Mary and Joseph they have always endeavored to keep us on the road that leads to God. Pray the good Lord that their efforts will be crowned with success.

ALL HALLOWS

111 EAST 164TH STREET
NEW YORK 52, N. Y.

My Dear Graduates,

This issue of your yearbook marks the final listing of your name in the All Hallows High School publications. You are leaving All Hallows, the school you have attended for the past four years; you are leaving the teachers who have endeavored to guide you to spiritual and intellectual accomplishments; you are leaving friends with whom you have spent many pleasant hours; you are leaving an atmosphere of discipline, mixed with kindness and thoughtfulness; you are leaving one world and entering one entirely new, where unparalleled opportunities await those who have the determination and the fortitude to avail themselves of them.

Your school, your teachers, your parents and your friends are proud of you and happy for you, that you have reached this goal of your life, the attainment of which speaks well for your future success.

Some of you will be successful to a great degree, others to a somewhat lesser degree but endeavor always to bear in mind that success apart from God is no success at all. Your courses here, at All Hallows, have been built around a God-centered core, a core from which emanates all the goodness, virtue and strength of character necessary for the attainment of goals so ardently desired. This clear-sighted vision of God as the "end-all" of your endeavors will make everything you attempt, a success; every friend you make, a "real friend", every goal achieved, another triumphant step toward Heaven.

We, your teachers, have been proud to have been associated with you at All Hallows. Proud, because we feel that in our efforts to aid you to accomplish something worthwhile, you have sensed the main purpose of life and cooperated with us to the best of your ability.

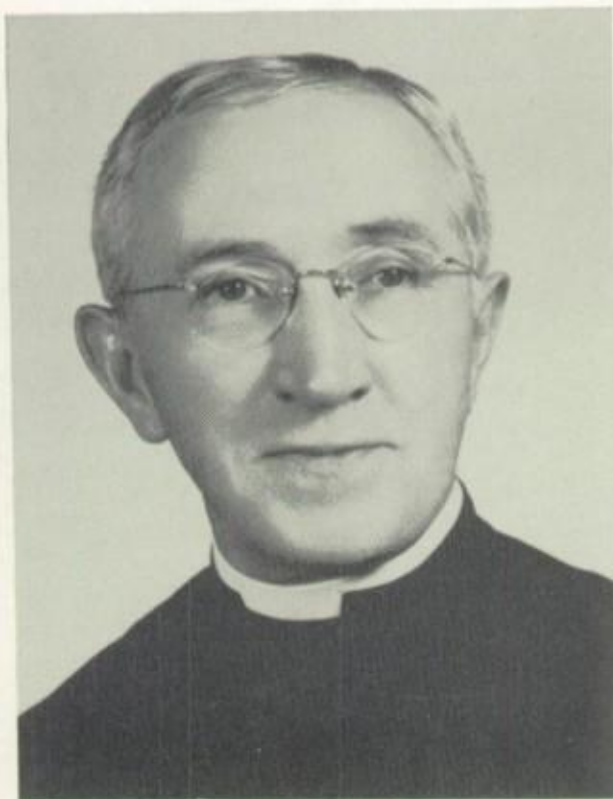

Some of you will forget All Hallows; most of you, while not forgetting, will have no further contact with All Hallows; but, to all of you, we wish the greatest possible success and happiness. May your loyalties to God, Country, Parents and Friends, never waver, and may God grant that we may all meet in Heaven, our True Home.

Sincerely yours,

Richard B. Power

SENIORS

Vale

Now that the Prom and graduation have become wonderful memories to be brought forth and cherished in future times, and with the hectic period of examinations drawing ever closer, there occurs a time of peace which causes the typical Senior to reflect upon the past four years spent in the memorable halls of All Hallows.

This time of peace inspired by the somnolent air of approaching summer, is a great means by which one recollects the manner in which our high school years were spent. The time was when summer vacation meant good times by the seashore and among cooling mountain lakes, but now, to most of us, summer is the time when money is made and saved for the expensive proposition of college in the fall.

Four years, when thought of as a single continuous period of time, seems quite long but when one thinks of it as the time spent in All-Hallows, it symbolizes an ever-accelerating period of time, climaxing in that most enjoyable series of events known as Senior year.

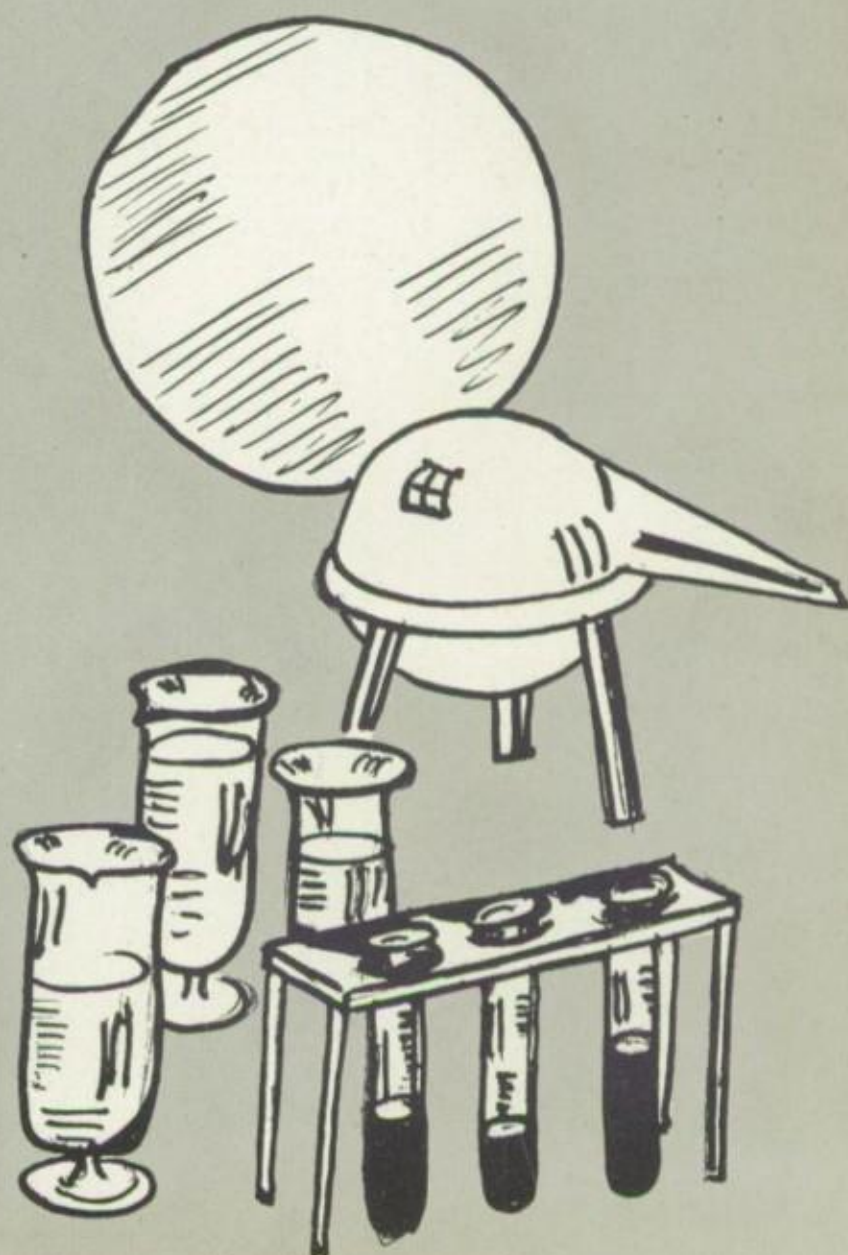

What has it meant to me to be a Senior, and a member of that illustrious Class of '55?

In the first place, it is difficult to express in words the feelings which I experience as I leave All Hallows to commence a new and entirely different phase of life. Perhaps the most outstanding feeling is one of gratitude to

a host of people; to the man who served as our principal acting as an inspiration for us to become as great a man as he is; to my parents whose sacrifices made my high school education possible; to the faculty whose labors at times have seemed in vain but the fruits of which will be materialized in coming years when we will be tried and tempered in the fire of human experience; yes, to all these we owe a tremendous debt of gratitude, incapable of ever being repaid.

Another dominant feeling is that of sorrow that four years should have passed so quickly. Scarcely had our shyness and naivete, characteristics of the Freshman, worn off when we were Sophomores, wrestling with intricate problems in Geometry and Latin. Junior year had hardly begun when we were given our Senior rings. This year, Senior year, has come and gone amidst many good times experienced at athletic events and classes.

Finally, happiness is mine, as I graduate; happiness because my parents had the foresight to give me the fine benefits of a Catholic education. Somehow, the bright red bricks of the building have always symbolized for me what All Hallows really is: a place where boys became men, not just physically, but morally and intellectually as well. The education received here will be as lasting as the granite foundation on which these bricks are laid. As we go forth into the world, our high school education, received at All Hallows, will stand us in good stead and will be an inspiration to us to model our life and conduct on that of a good Catholic gentleman.

Brother McCarthy Celebrates Jubilee

SIXTY YEARS IN ORDER

With deep regard and affection, the Brothers, teachers, and student body of All Hallows turn toward our venerable and beloved Jubilarian Brother P. D. McCarthy, and proudly offer our warmest and most sincere congratulations on this his 60th year as a member of the Irish Christian Brothers.

Sixty years is a lifetime in itself; sixty years spent engaged in the same occupation is a truly remarkable achievement but sixty years spent in the service of God is about the highest form of perfection a man can attain on this earth.

Very early in life Brother McCarthy answered the Master's call to devote himself to the education of youth. He was one of the first postulants to join the Irish Christian Brothers Order in his native city of St. John's, Newfoundland. On February 4, 1895, he was accepted as a postulant at St. Bonaventure's

College, St. John's, where he began his spiritual training. It was considered necessary to send him to Ireland to complete his novitiate and professional training. His stay in Ireland, however, was prolonged over a period of some twenty years, during which time he graduated from Queen's University, Belfast, and taught in many of the Brothers' schools. He is still remembered with affection and gratitude by his former pupils in those centers where he labored: Enniscorthy, Dundalk, Ennis, Limerick, Drogheda and Belfast.

But his teaching activities were not destined to be confined to Ireland alone. What more likely endeavor could there be for his talents and zeal than the schools of the American Province of the Order. So in 1915 he made the hazardous wartime journey back to America. Until 1920 he taught at St. Mary's, Halifax; then he began his first connections with All Hallows. With that unbounded energy which has always characterized him, he helped, during his four years there, to maintain and enhance the enviable scholastic achievement that marked All Hallows school from its inception in 1908. During this time he obtained his Doctor of Philosophy Degree in History and Political Science from Fordham University.

In 1924 he was sent to open a school in Butte, Montana. It was here that his skill as an administrator was first seen. The wisdom of his selection as Principal of this pioneer establishment was soon evident in the high scholastic tone he inculcated and fostered in Central High School, Butte. In 1933 we find him back as Principal of All Hallows. With the same zeal which characterized his former career there, he, in his role of Director, led the school in the crusade for spiritual and scholastic perfection.

His last period as administrator was as Principal of Leo High School, Chicago, from 1941 to 1947. His memories of this school rank next to the love and affection he cherishes for All Hallows. After a few years at Iona College, New Rochelle, he returned to All Hallows in 1952, where the youthful buoyancy of his step belies the sixty years he has spent as an educator.

While Brother McCarthy can be proud of his sixty years as a member of the Irish Christian Brothers, the Order, too, can be justly proud of one who has labored so long and so devotedly at his apostolic work.

That is why we, the students of All Hallows, join the Brothers and many friends of the Jubilarian in sincere felicitations on this memorable occasion.

ALL HALLOWS HIGH SCHOOL, NEW YORK CITY

October, 1954

This year the newspaper continued the splendid job it has been doing in the recent years of reporting school affairs in an intelligent and literary manner. No matter which field the paper has turned its attention to it has managed to come up with a workmanlike, competent and sometimes brilliant job.

Ramon Lopez served as editor-in-chief; Alan Stevenson, as associate editor, Bernard Martin, William Deely, Nicholas Cataldi and Jack Clemente served as editors of the various divisions. James McSweeney wrote "Boards and Cinders," Tony Pinto and Charles O'Regan wrote "Activity Roundup." The "Letters to the Editor" and "What's Your Opinion" columns were handled by C. Carroll and F. O'Connor. "Heard, Seen, Noted" was a composite of information received from the various classrooms. The photography was capably handled by Ed Hein.

The efficiency shown by this year's staff could not have been achieved without the excellent supervision of Brother C. B. Quinn.

Glee Club

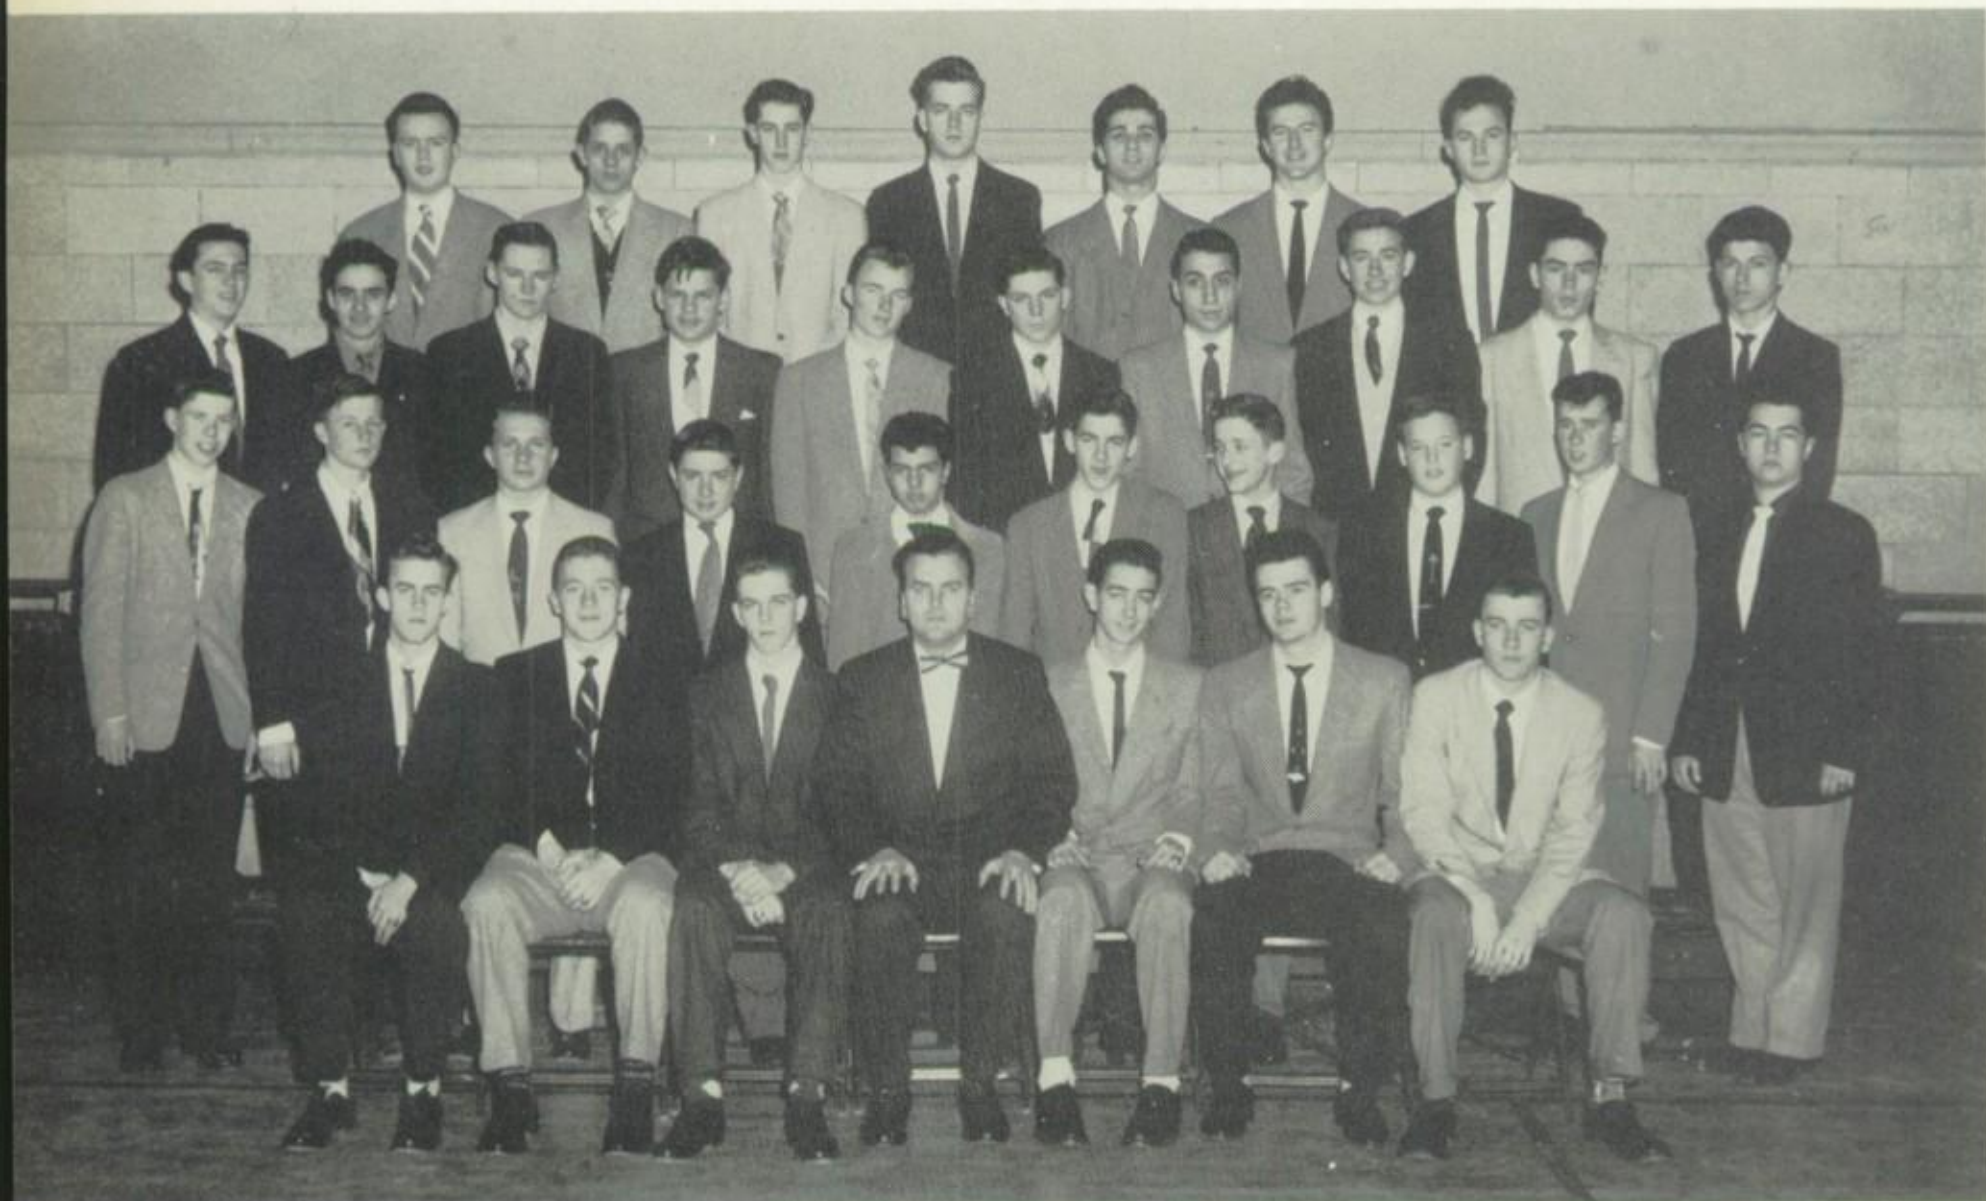

MR. J. OBROTKA

This year's Glee Club under the able guidance of Brother McPadden and Mr. James Obrotka, has enjoyed a very successful season.

After putting in many practice periods, the club made its first appearance before the Fathers' Club at the October meeting. They also appeared before the Ladies' Auxiliary and at Grand Central where their performance was highlighted by a selection of Christmas carols. Among their other performances includes a presentation at the Hotel Commodore.

At the Annual Spring Concert on May 28, the Glee Club will join with the Band in the production of "Americana." This presentation will include songs representing all sections of the U.S. Among the selections will be "Battle Hymn of the Republic," "America," "Little Shoemaker," "Down in the Valley," and "Wild Irish Rose."

Glee Club and Band
at Christmas Concert.

The Band

This year was one of change for the band's directors. Besides a new moderator, Brother Sullivan, it also acquired a new leader, Mr. Sagan, to replace Mr. Rygiel, All Hallows' band leader for the past four years. However, there was surprisingly few changes in the band's program on the whole.

Since the band didn't play at any football games the first item on its schedule was a program of Christmas carols in Joyce Kilmer park which, unfortunately, was cancelled at the last minute on account of the weather. In December the band joined with the Glee Club to present a Christmas concert which was well received by all present; the next event was the St. Patrick's Day parade where the band performed admirably. At present we are awaiting the annual spring concert which, from the sound of the rehearsals promises to be as big a success as the Christmas one. As we go to print A.H. will defend its Class B Championship. Also coming up is the Catholic Music Festival and contest, in which not only the Band but also several Trios and Quartets from All Hallows have been entered.

St. Patrick's Day Parade

More than fifteen hundred years have passed since St. Patrick first went to Ireland. His feast day is celebrated in all parts of the world wherever Irishmen and lovers of Ireland are to be found. Here in New York City a sparkling parade is held every March 17th in honor of this great saint. Many of the high schools in the New York Metropolitan area march in this parade and All Hallows is no exception. The school can be proud of the dignified manner in which the entire senior class and the school band marched. All Hallows was truly well represented in New York's tribute to Saint Patrick.

I bind myself today
to the virtue of Heaven,
in light of Sun,
in brightness of Snow,
in splendour of Fire,
in speed of Lightning,
in swiftness of Wind,
in depth of Sea,
in stability of Earth,
in compactness of Rock.

I bind myself today
to God's Virtue to pilot me
God's Might to uphold me
God's Wisdom to guide me
God's Eye to look before me
God's Ear to hear me
God's Word to speak for me
God's Hand to guard me
God's Way to lie before me
God's Shield to protect me
God's Host to secure me

against snares of demons
against seductions of vices
against lusts of nature
against everyone who wishes ill to me
afar and anear
alone and in multitude.

The success of this year's dances was achieved through the excellent guidance of Brother Haggerty and the tireless efforts of the entire Dance Committee, headed by Frank Gill, Chairman; Robert Barth, John Gibney, Vice Chairmen; Thomas Gunning, Secretary; and Bart Gannon, Treasurer. The excellent music was provided by the All Hallows' swing band, under the leadership of John T. Manning. The entire proceeds of the dances were used to lower the expenses of the Senior Prom. The splendid turnout rewarded the efforts of the members of this important school function.

This year we have attempted to present a pictorial review of the 1954-1955 school year. The '55 Halloween represents much hard work on the part of the entire staff. Many modifications have been made including a Senior directory, a new cover, and different faculty and class sections. We are very grateful to Routel Studios for their invaluable assistance and to Brother Walsh, whose supervision made this book possible. We sincerely hope that this yearbook will bring back pleasant memories in future years to the Class of '55.

Debating Society

This year under the very capable direction of its moderator, Mr. William F. Steo, the All Hallows Debating Society has greatly increased its sphere of activities. Since January there has been, on the average, one debate per week. The National Debate Topic for this year is; "Resolved: That the Federal Government should initiate a policy of free trade among nations friendly to the United States." Some of the schools which A.H. has thus far debated include: Xavier, Fordham, Rice, Power, and Cardinal Hayes. The A.H. debaters have been very successful in these contests.

The All Hallows Debating Society has also held its own oratorical contest, in which more than six other schools participated. Moreover our speakers have been active in several oratorical contests. They participated in The American Legion Oratorical Contest, The Student Leaders Council, and "The New York Times Youth Forum."

Capping these activities, our debaters are receiving a very excellent course in Parliamentary Procedure from Mr. Steo.

This year, the Library League, under Miss O'Reilly's capable direction, has endeavored to awaken the reading interests of the students. The League has tried to do this by introducing many new books in an attempt to satisfy the reading tastes of all. In addition by subscribing to various periodicals magazines it has attempted to keep the students informed of what is happening in the world at the present time. The members of the League are kept busy maintaining the books in good condition, and by classifying and preparing the new books for the student's use.

Fathers' Club

This year the All Hallows Fathers' Club, under the moderation of Brother Vaughan, has once again striven to better their past triumphs. The increased interest and participation shown by the fathers was, no doubt, partly due to the many enjoyable events sponsored by this organization, and also to the able efforts of the president, Mr. John O'Grady.

The major events were the Father and Son Communion Breakfast, the Sports Dinner, and the Irish Night. In addition, at regular meetings, Deputy Commissioner Nolan spoke and lectures on the microwave and polygraph were given. Among other notable items on the program was the Metropolitan Grammar School Basketball Tournament, which was won by Commander Shea. This year All Hallows has many reasons to be proud of its Fathers' Club.

Ladies' Auxiliary

Last September, the returning students were delighted to find that the gymnasium had been completely renovated. The stage was redecorated, the floor varnished, and the ceiling and walls repainted. This notable achievement was accomplished through the tireless and patient efforts of the Ladies Auxiliary.

Once again, the Ladies Auxiliary continued, under the leadership of Mrs. J. Heaphy, its president, and Brother Haley, its new moderator, to present entertainment for the enjoyment of the mothers. The first event was the reception in honor of the new mothers. Then followed: the Fall Bridge, the Christmas Party, the Cake Sale, and the Spring Bridge. All of these affairs were tremendously successful financially, as well as socially especially the Cake Sale.

This year, as in the past, the Brothers and school have reaped the fruit of the ladies' endeavors. The Auxiliary contributed new draperies for the Brothers' dining room and new blackboards in the classrooms. The mothers also intend to install new desks in the grammar school.

The students thank the Ladies Auxiliary for all they have done to beautify our school.

The annual retreat dominated the religious activities at All Hallows during the 1954-1955 school year. An innovation was introduced this year as the freshmen and sophomores made the retreat in December, while the upperclassmen had theirs in April. This new division increased each student's opportunity to gain the maximum spiritual benefits of the retreat. Father W. Dotz ably conducted the December session and Father J. Steltz also did a fine job in April.

In addition, the school was fortunate in having Father Traube come in every Tuesday to act as a spiritual adviser and to hear confessions.

Football Roundup

BRO. J. G. CARR
Moderator

As autumn rolls around, we know that it means the beginning of a new football season. This year, as an added incentive to Catholic High School teams in and around New York City, a new football league was formed. This league was composed of the following eight teams: All Hallows, Iona Prep, Mount St. Michael, Cardinal Hayes, Stepinac H.S., St. John's Prep, St. Francis Prep, and Chaminade H.S. Each team is required to play at least five league games, with the league leader to be decided by the best won and lost percentage. Iona Prep went through an undefeated season in league competition and copped first place in the new league.

Much to the disappointment of everybody at All Hallows, the turnout for football was ridiculously small. Less than thirty players tried out for the team, leaving Mr. King with a very small and light squad. Except for a few individuals who played a fine brand of football, the team as a whole had a very poor season.

All Hallows opened its football season against a favored St. John's team at Tilden Field. In the second quarter Lou DeSantis scooted around right end for a 40 yard run and the only All Hallows touchdown of the game. St. John's scored twice in the first quarter and three more times in the second half as the Gael pass defense looked very weak. "Red" O'Conner and Lou DeSantis also played fine football throughout the whole game. The final score was St. John's Prep 31 and All Hallows 7.

In the second game of the year, All Hallows and St. Francis Prep met at Boys' High Field before a fine crowd on an overcast October afternoon. All Hallows and their opponents struggled to a 0-0 tie at the end of the first half. But soon after the start of the third quarter the St. Francis bench power began to preside. They scored twice in the third quarter and once in the last. The game was marked by O'Conner's fine punting and also the brilliant defensive work of Helbig and O'Conner. The game ended with St. Francis on top by a 21-0 score.

All Hallows faced a powerful and unscored upon Iona team at New Rochelle in their third game of the season. In the first quarter, Iona rolled up a 21-0 lead as Leone and McGoldrick ran wild on end runs and quick openers up the middle. In the second quarter, a long pass from Gogan to Helbig set up the first All Hallows touchdown as DeSantis went over for the score. In the third quarter, All Hallows scored again on a sustained drive as O'Conner dove over for the touchdown. Later in the game DeSantis ran thirty yards around end for a touchdown. All Hallows introduced a "shift" which lined up eight men on the line of scrimmage at the side of the field, leaving only the center, the quarter back and one other lineman in the center of the field. The first time it was used the "shift" gained about twenty-five yards. The final score was Iona Prep 34 and All Hallows 20.

A fair crowd watched All Hallows take its worst defeat of the year at the hands of Mount St. Michael at McGovern Field. All Hallows' only tally came in the first quarter when DeSantis passed to Kiely, on the "shift" play, who made an acrobatic catch in the end zone. Throughout the game Mount continued to roll up points. The game finally ended with the score 38-6, with Mount being the victor. In addition to throwing a touchdown pass, DeSantis also made some fine catches for All Hallows.

In the final game of the year for All Hallows, the Gaels encountered Cardinal Hayes at Randalls Island. In the first half Hayes scored three times as Gino Novelli could not be stopped. All Hallows scored on the first play of the fourth quarter as Lou DeSantis made the outstanding play of the game as he ran beautifully around end for 55 yards. Fowler scored a little later on a plunge over the center of the line. Hayes was just too powerful for the small and light All Hallows squad. The final score of the final game of the year for All Hallows, was 40-13 in favor of Hayes.

BROTHER M. F. BRADLEY

This year, the 1955 All Hallows Varsity Basketball squad found itself placed in a new league, composed of Cardinal Hayes, Manhattan Prep, St. Helena, Stepinac, Mount St. Michael, and All Hallows. All Hallows placed second in the Bronx Division of the CHSAA, while losing only two games in league competition, both of these losses being to Cardinal Hayes who captured first place in their division.

Although for the first time since 1952 All Hallows made the playoffs, they suffered a humiliating defeat at the hands of a powerful St. Francis squad at Madison Square Garden. In the Knights of Columbus tournament, All Hallows again lost to St. Francis in the quarter-final round.

All Hallows went to its sixth ESCIT this year hoping to retire the Bishop McKinley Cup. We showed that we were still a powerful Club, despite our 14 and 6 record by downing Fairfield Prep, 78-60. We had hopes of going all the way, when we were stopped in a heartbreaker defeat, 53-51, to Power. Ernie Sampson's scintillating play earned him a spot on the tournament All-Star Team.

Tom Fitzgerald was the man largely responsible for the success of the team, as he averaged a little more than 20 points per game in league competition. Fitz's deadly jump shot coupled with his tremendous driving ability earned him a position on the first string All City team. Tom Fetherston's fancy ball handling, and fine shooting was rewarded by receiving honorable mention on the All City team. The admirable play and tremendous spirit displayed by Sampson, Sullivan, Steppe, Leahy, Hearn, Ahearne, and Hyland will long be remembered by those who have watched them in action. Of course, we must not forget the excellent jobs done by both Mr. Dick King, the coach, and Brother Bradley, the moderator.

The 1954-55 Junior Varsity Basketball Team did exceptionally well despite the fact that there were no holdovers from last year's City Championship team. Their hard playing and competitive sportsmanship throughout the season brought this team into a tie for first place in their division of the CHSAA. In the game played to decide the division leader, they lost a heart-breaker to Cardinal Hayes.

Due in a great measure to the superb coaching job done by Mr. DiSlanisleos, the J. V. lost only two games during the regular season. Praise must also be given to all the members of the team and particularly to Burke and McCardle whose excellent play helped lead the Junior Gaels to second place in their division of the CHSAA.

In following the great All Hallows tradition of winning, the Freshmen really produced a winning team this year. In fact, they sported such a powerful squad that they were able to win the city championship. They defeated St. Ann's by one point in the finals.

Led by Kenneth McClory who averaged 20 points per game and Kevin Reilly, this team featured a fast breaking attack combined with deadly outside shooting and strong rebounding; definitely a winning combination in any league. They started off slowly but after a few close victories and a loss to LaSalle, they picked up real class and went undefeated for the rest of the season.

Of course, no writeup of the team is complete without praising Mr. DiSlanisleos, the coach and Brother Carr, the moderator, for the superb job they did in producing a championship team. Congratulations!! City Champs.

Characterized by the usual small but spirited squad dominated by underclassmen, the team has been ably coached by Brother Kelly and Mr. Pete Waters. Constantly ponding over the boards and cinders, our harriers have begun to come into their own after a slow start.

The indoor season was highlighted by a fine showing of the Midget 880 Relay Team, consisting of Byrne, Moclair, Freeman, and DeCoursey, which captured the gold cup at the Fordham Relays. Aided by utility men, Paul Rooney and John Kyle, who double on both the two mile and 880 relays, the team is coming fast. A point of balance is maintained between the distance runners: Murphy, Fedigan, and Flattery, and between the sprinters: Gonzales, Foley, Lee, Healy, Spina, Marks and Danko. In addition Colon and Devitt have done remarkably well in the high jump and shot put respectively.

Prospects for the coming Iona-Queens Meet and the Penn Relays are bright with Captain Rooney leading the team, while a chance of dominating the ICB Meet is predicted.

This year the All Hallows hill and dalers, paced by Captain Paul Rooney, had a very successful season. Besides capturing its share of laurels in many of the meets, the squad took second place in the ICB Meet, missing the first place trophy by a mere point.

William Murphy, William Moclair, Chris Fedigan, Dan Slattery and Paul Rooney sparked the Varsity, while the top men on the JV were John Heffernan, John Freeman, and Mel Lee.

The Freshmen had a profitable season as they also took a second place behind a powerful Rice team. Led by John Lewis, Maurice Culhane, and John Allen the Frosh should produce a well rounded team in a few years.

Varsity Baseball

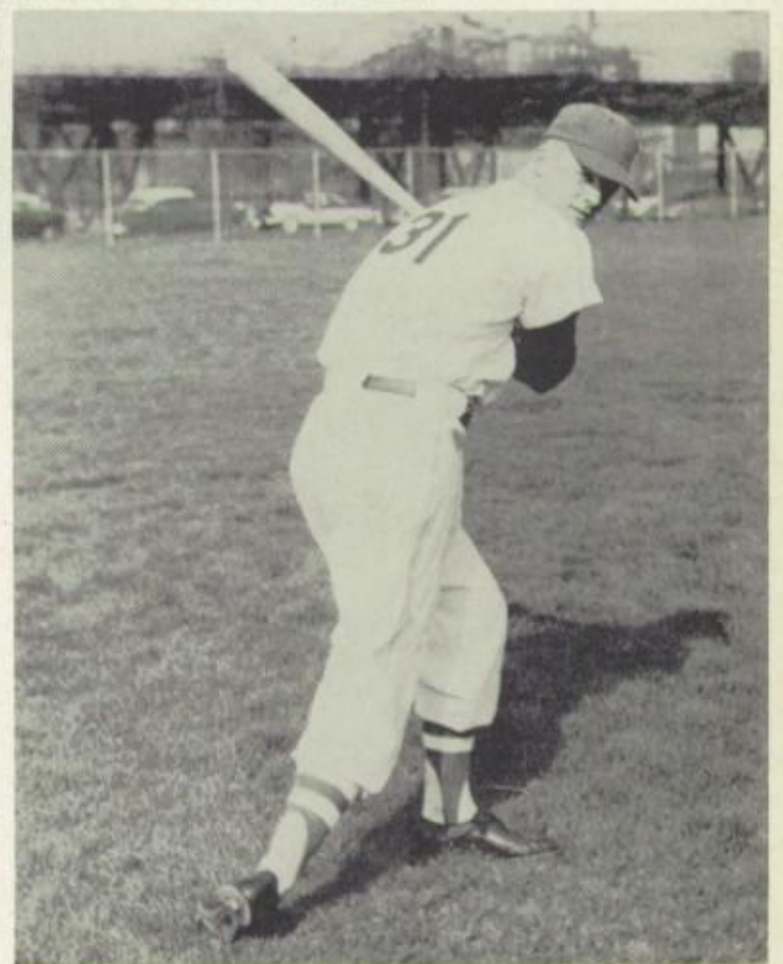

Last year, when the Varsity Baseball season ended, the familiar cry, "Wait until next year," was not heard around All Hallows. Only congratulations could be offered to the members of the 1954 Varsity team as they had just won the CHSAA Championship, the first ever won by All Hallows, at Ebbets Field. Wally Mulvaney pitched brilliant ball to defeat Bishop Loughlin. "Red" O'Conner also played a big part in that game as he threw out three base runners in crucial situations. The one-two pitching combination of Wally Mulvaney and Tom Fitzgerald combined with the timely hitting of the team carried them through a season in which they only lost one game, to St. Ann's, and that game being lost by only one run.

This year, with about half of last year's starters left on the squad, All Hallows again sports a strong team. With Tom Fitzgerald as the backbone of the pitching staff, helped out by Jim Donnelly, and with a lot of hitting power to back them up, the team so far has gone undefeated. Some of the hold-overs from last year's team include Tom Fitzgerald and "Red" O'Conner, the battery, Dan Ahearne, Hank Magnusen, Phil Fowler, all of whom wield potent bats. With the addition of some other fine prospects like Ziegler, De Pompeo, Hickey and Long, this year's team may turn out to be as good, if not better, than last year's team. Dick King so far has done an excellent job with the team and if nothing happens to alter the situation, All Hallows might produce another city-championship team. GOOD LUCK GANG!

J. V. Baseball

This year, under the able coaching of Brother Carr, the J. V. team looks like a big winner. So far this year, the J. V. team has run up a record of two wins, a loss and a tie, and in all their games so far they have made a very impressive showing.

In their first game of the year, they defeated Tolentine 23-6, as they indicated tremendous batting strength as Spina, McGarvil, Collangelo, and Tansey their Number 1 pitcher, so far shape up as the sluggers, although, up to now most of the others show tremendous promise. Many of the young ballplayers will very soon be top performers for the All Hallows Varsity team.

Class History

As we now look forward to our graduation day, we must also pause and look back on our last eventful year at All Hallows. In September, 1954, we entered the final stage of our journey through grammar school. Under the direction of Brother Joyce, we took up our studies and devoted ourselves to the diligent preparation for our regents examinations which were to assure our passport to higher learning.

Although, we considered that learning was to be our major concern during this, our final year of elementary studies, we also discovered that the Class of '55 was to enjoy different features in our school program, introduced by our new principal, Brother R. B. Power. Most important of these was the Christmas retreat, attended for the first time by the eighth grade. An atmosphere of great sanctity pervaded the school during the three days of December 20th, 21st and 22nd, 1954. The wise and inspiring talks of Reverend Father William Doty who conducted the retreat impressed indelibly upon our minds and souls the need of prayer and devotion in our daily lives.

With Christmas vacation came the chance to relax a bit from our studies and to overcome any little difficulties we had met in our school work. January brought the long anticipated regents examinations in which we all earned our regents diplomas. To all of us, this brought a feeling of deep satisfaction, and sincere gratitude to all the Brothers who had guided us so patiently through our various subjects ever since our entrance to All Hallows.

But the fact that we had passed, did not mean that we were to have a recess from learning. The second semester saw us taking up, in addition to our regular work, new studies of algebra, Latin and general science. Aside from these, many of us took time out to participate in various extra-curricular activities. We played on the softball field and the handball and basketball courts; we took over the responsibility of editing and writing the "GRAM NEWS"; our many voices were ably blended into harmony by our music teacher, Mr. James Obrotha; those of us who had musical talent joined the school band under the direction of our new director, Mr. Saigon. Most of us found great satisfaction in all these activities which contributed so much to our complete education.

The high-light of our athletic program was the introduction of C.Y.O. basketball to the school for the first time. Our team won high honors in the private school league in both regular and post-season tournaments. This year the team was most fortunate in being offered an opportunity to appear on "Junior Champions", a television youth show. Jack Kiernan won the right to represent our school in the junior champions tournaments at Madison Square Garden. Another new activity enjoyed by our class was gym period during which we participated in inter-class basketball, volleyball games and calisthenics.

In other fields we were also busy. We participated in the C.Y.O. essay contest for which ten boys from our grade wrote essays on the topic "Youth, America's Richest Heritage". Our "GRAM NEWS" was awarded a second place trophy in archdiocesan competition, in addition our class newspaper "The Herald" sponsored a photography contest.

Spiritually, too, we were preparing ourselves in order that we might have the moral courage to meet the new problems the years to come will

thrust before us. During the Holy Season of Lent, we resolved to come closer to God and His Blessed Mother. With the coming of Easter we rejoiced with the risen Christ. So passed our final year in All Hallows grammar school with all phases of our development, spiritual, mental and physical, carefully fostered under the far-sighted guidance of our teachers.

We, the Grammar Graduates of 1955, want to thank the Brothers, Teachers and Parents who worked for us so untiringly. We will offer many prayers for those men whose lives have been an inspiration to us. They have trained us intellectually and morally so that we may remain strong and Christ-like through all the days of our lives. With our departure from grammar school, we pray:

O LIGHT OF THE WORLD
WHO HAST BEEN OUR LIGHT
IN THE PAST,
BE OUR GUIDE FOR THE FUTURE,
IN
JOY AND IN SORROW
AND
IN ALL THAT WE MAY
EVER UNDERTAKE.

First Communion Class

When our Blessed Lord uttered those beautiful words, "Suffer the little children to come unto Me; for of such is the kingdom of God," He must certainly have had in mind our little boys in the first grade who approach His altar to receive Him for the first time in Holy Communion.

What joy and happiness fills the child's heart, when after many weeks of fervent preparation, he finds himself ready to receive His Lord. Having made his first Confession the day before the child approaches the altar, during Mass, with a pure spirit ready to be nourished with the "Bread of Angels", Our Lord and Savior, Jesus Christ.

Junior Gael Basketball

Completing one of the most successful seasons in the Grammar School History, the Junior Gaels compiled the outstanding record of 23 wins and 12 defeats. Led by Captain Jack Kiernan, the Junior Gaels entered a newly formed CYO Private School League which included Loyola School, St. Joseph's Academy and Iona. In this league, the Gaels' record was 4 wins and 2 defeats. The Gaels entered the All Hallows Father's Club Tournament in which they emerged victorious against St. Elizabeth's, but lost to St. Raymond's in the quarter finals. In the Irish Christian Brothers Tournament, the Gaels chalked up a win over Sacred Heart but lost to St. Cecilia's, 43-33 in a very well played game. All Hallows was represented on the All-Star Team by Jack Kiernan and Billy Frank. Frank Hagan won the foul shooting contest and received a gold medal. The Junior Gaels also competed in the Private School Tourna-

ment sponsored by the CYO. After a victory over St. Joseph's, the Junior Gaels lost the "tough one" of the year to Iona, 34-32, in a "Sudden death" overtime. Jack Kiernan and Eddy Mathis made the All-Star Team and Frank Hagan won the title of Best Defensive Player. Credit must also be given to John Gleeson for his outstanding play during this tournament. All Hallows also played such schools as Sacred Heart of Highbridge, St. Philip, St. Angela Mercy, a St. Athanasius, Immaculate Conception, St. Helena's, St. Ann's, Allen Stevenson and Dalton School.

Throughout the season, the rebounds were capably handled by Jimmy Costello and Ed Mathis, who scored 152 and 156 points respectively. It was their constant fighting spirit under the boards that kept All Hallows always in the game. The playmaker and high scorer with 243 points, Jack Kiernan, was always a

threat to the opposition by his driving ability and accurate jump shot. Besides Jack, Frank Hagan and Billy Frank with their jump shots and driving spirit always assured All Hallows of a fighting chance until the final whistle had blown. Frank got 98 point and Billy got 97 points.

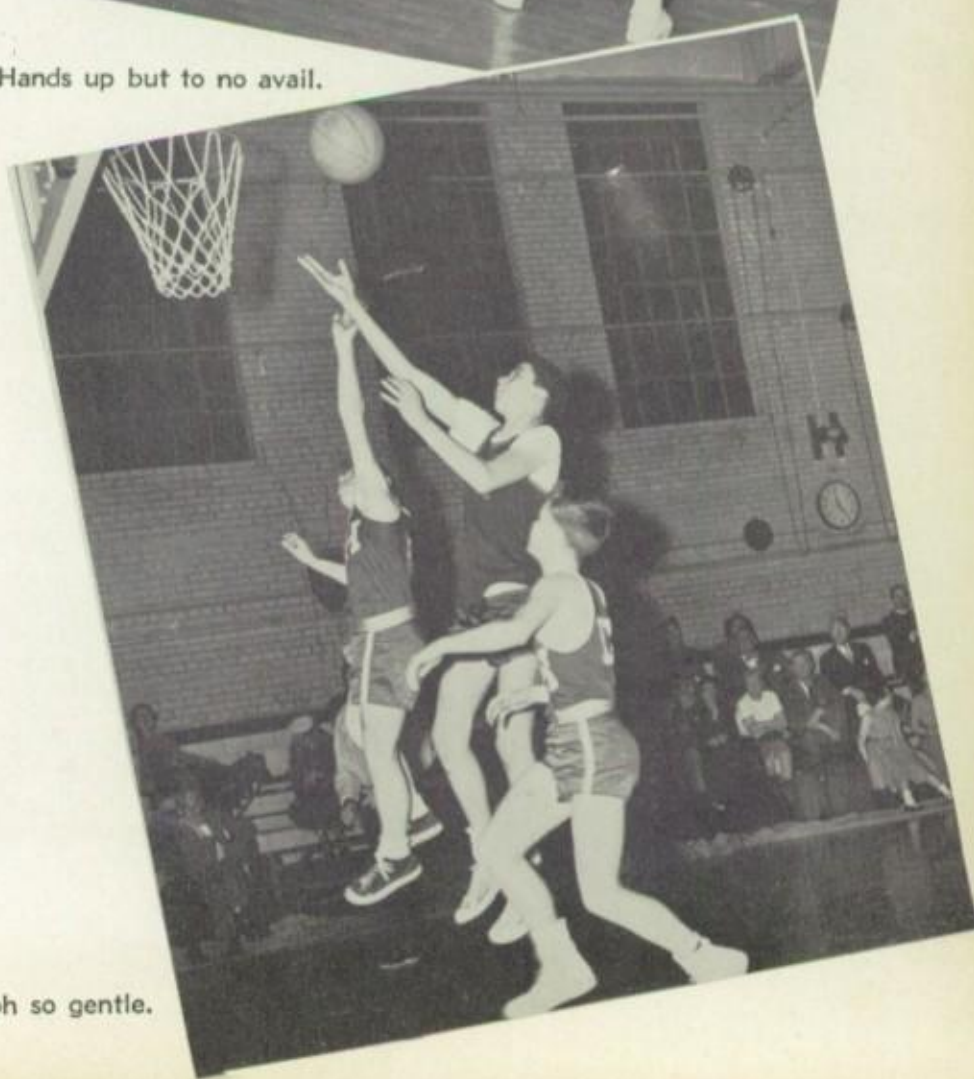

Among the capable reserves were John Russel, Roger Malcolm, Mike Hayes, Bob Casey, Jimmy Lynk, Bob Stirbis, Brian Minoque, John Fitzgerald, and John O'Connor.

By beating St. Ann's by a score of 33-29 and winding up the season victorious, the Junior Gaels have left an enviable record to be carried on by the future Junior Gaels. Every member of the team deserves praise for contributing to this fine record.

At the close of the season each player and the two managers, Leonard Quinn and Billy Haybyrne, were awarded bronze basketballs in recognition of fine sportsmanship.

Junior Champions

On January 26th competitions were held at All Hallows to choose the best all-around athlete to represent the School at the Junior Champions TV Program on Saturday, January 29th, 1955. The competition included the following events: the 50 yard dash, won by Jack Kiernan; the standing broad jump, won by Jimmy Costello, which tied the Junior Champion record with a tremendous jump of 8 feet, 3 inches; the football throwing, won by John Gleeson; the running broad jump and the 20 second basketball shoot, both won by Jack Kiernan. The three highest scorers in these events competed in a foul shooting contest during the TV program. The 50 yard dash was filmed in Joyce Kilmer Park and the other four events were filmed in the All Hallows Gym for showing on the TV program. A group of fifteen boys from 7th and 8th grades led by the three contenders for the Junior Champion Award, Jack Kiernan, Mike Hayes and Jimmy Costello, appeared on the TV program along with a group from St. Joachim and Anne of Queens Village. The Master of Ceremonies was Carl Braun of the New York Knickerbockers and Elroy "Crazylegs" Hirsch, the famous end of the Los Angeles Rams, was the guest star. Crazylegs showed the fundamentals of being a good football end and how to catch and handle a football in a sports clinic in which Jimmy Lynk and Billy Frank participated. During the program the three top contenders showed their ability in a foul shooting contest. Mike Hayes won this event by making 4 out of 5. Jack Kiernan received the most number of points during the competitions and was awarded the Junior Champion trophy for All Hallows. He represented All Hallows in the Junior Champion Tournament in Madison Square Garden in which he was in competition with all the other Junior Champions.
